

Friends of Wivey Cares

Wivey Cares supports people to live independently by introducing them to vetted local carers. We help clients by reducing care costs and assist with the completion of application forms to obtain further help towards funding. We also host a range of social groups that bring people together and help tackle loneliness.

We may all need Wivey Cares at some point in our lives. To ensure our services are still here for everyone, please consider becoming a Friend by arranging a small monthly contribution.
